9. Mr. C.B. Deviputra, DVIO, KVIB, Gondia
10. Mr. Raman Patil, Manager, District Industries Center, Gondia

The discussion was held on following points related to promotion of Export from the District

1. The discussion on **District Export Action Plan for F.Y. 2024-25** was held among members with their inputs and Hon. Chairman of committee approved the plan to be implemented.
2. Hon. Chairman appealed members of Industrial associations to take efforts to add commodities other than Rice to the basket of commodities being exported from the district as only Rice contributes more than 90% of exports from the district.
3. The members of industrial association expressed the need to develop **ICD (Inland Container Depot)** at MIDC Gondia so as to facilitate and further increase Direct export from the district. This would also help the exporters to achieve diversification of their export market. Hon. Chairman directed the MIDC officials to check the availability of land for ICD if any.
4. Hon. Chairman expressed satisfaction regarding district level promotional activities undertaken by Departments of Industries viz. **IGNITE – Maharashtra, ODOP Cell, ODOP promotion** and instructed DIC to achieve the participation of stakeholders in large numbers.
5. General Manager DIC appealed industrial associations to encourage individual rice millers to form ODOP based i.e. Rice based cluster in the District.

6. General Manager DIC briefed the committee members about salient features of **new Export policy of Maharashtra** and appealed associations to create awareness regarding the same among member industrial units.

The meeting was concluded with the thanks with permission of Hon. Chairman DEPC
