Certificate

Subject: Confirmation of Full Implementation of Reform No. 302 – Notification Requirement for Tree Transit Route

In reference to **Reform No. 302**, which mandates the provision of **notifications regarding the tree transit route to local police stations en route for transparency**,

The state has a **well-established mechanism** to ensure compliance, wherein:

- **Chest posts** of Forest Department have been designated and staff of forest department is actively monitoring tree transit movements across the state.
- The process is **strictly adhered to across all districts**, maintaining **transparency, accountability, and regulatory compliance**.

As this reform is **already in full practice in Maharashtra**, it is requested that the implementation status be **duly acknowledged as compliant** under the evaluation framework.
