9th November 2023

Sub: - Minutes – MAITRI Monthly Internal Meeting with Nodal Officers

MAITRI a Single Window Cell (SWC) is set up with an objective to attract investment and employment in the State. The cell marks a paradigm shift in role of the Government from being a regulator to that of facilitator. It provides G2B services, one-stop-shop for existing and prospective investors to get consolidated information about the investment process with regards to expanding their existing units or to set up a new business unit in the State. MAITRI has been established with the mandate to provide investor facilitation and to guide the investors in obtaining the required approvals for setting up any unit in the state.

As on date, a total of 119 services spread across 15 departments are accessible through the MAITRI-Single Window System. A meeting was organized under the chairmanship of Hon'ble Additional Development Commissioner (Industries) to review the MAITRI cases.

Towards this end, minutes of the meetings are annexed with this Note.

Submitted for your kind approval.

Superintending Industries Officer (MAITRI)

Addl. Development Commissioner (Industries)

Encl.: as stated
